CODENAMES

Take Codenames with you in your pocket!
NOTE: This box is blue for no good reason except that I like blue.

Box is sized for:

- 30 Word cards (some variability in your pocket)
- Agents from base game

Use the official CODENAMES GADGET app on your phone instead of having to carry some of those grid cards.

Amanda and Leon's NanDeck tuckbox
1.85x2.9x1.96

- Print at 100% (no scaling) on 110 lb cardstock.
- Place adhesive laminate on outside only.
- Cut on solid lines, don't forget the cuts on the top flap.
- Crease on dotted lines with a bone-folder or a pen that doesn't write.
- Put glue or double-sided tape where it says 'Glue inside here', and press together.
